1.0 INTRODUCTION

We recognise that the children and young people we educate, and support have often had difficult schooling experiences previously, and that this can create additional challenges for school attendance. An inclusive trauma-informed, neurodivergence-affirming ethos is at the heart of our approach. We seek to understand and support our children and young people to help them enjoy and achieve the best outcomes from school.

We also recognise the importance of understanding the context of a child or young person's absence from school and the impact of language used. We therefore differentiate between:

- Truancy refers to a young person's deliberate or unauthorised absence from school without a valid reason. It is often associated with disengagement or a lack of value placed on education. Addressing truancy typically involves a structured approach that includes understanding underlying barriers, re-engagement strategies, and clear expectations around attendance.
- Emotion Based School Avoidance (EBSA) - describes a young person's difficulty attending school due to overwhelming emotional distress, such as anxiety, sensory sensitivities or past trauma. EBSA is not a choice but a response to perceived threat or discomfort, requiring a compassionate, trauma informed approach that prioritises emotion regulation, relationships, and gradual exposure to the school environment.

We are committed to promoting good attendance and punctuality to:

- enable and facilitate opportunities for a good education
- provide our children and young people with the support they need.
- Enhance quality of life, well-being and development of life and social skills
- Effectively safeguard our children and young people
- Reduce the likelihood of involvement in anti-social behaviour or other criminal activity

2.0 AIMS

We are committed to meeting our obligations with regards to school attendance by:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent absence and severe absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school
- Address EBSA with a trauma informed and neurodiversity affirming supportive approach

We will support parents and carers recognising their legal duty to ensure regular attendance for children of compulsory school age. At the same time, we recognise the complexity of individual pupil needs and understand that promoting punctuality and regular attendance requires a sensitive and supportive approach. Our commitment includes working collaboratively with families and professionals to identify and address any barriers to attendance, ensuring that every child has the opportunity to thrive within a learning environment that acknowledges and accommodates their unique challenges.

[Working together to improve school attendance](#) highlights the benefits of regular attendance at school, particularly:

- the correlation between high academic performance and high attendance
- it is an important protective factor for more vulnerable children and young people

With this in mind, we will consistently work towards the most regular attendance for our children and young people. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance in a supportive way. This policy contains within it the procedures that the school will use to meet its attendance targets.

Our school is committed to promoting consistent attendance through the implementation of targeted, responsive measures designed to support every pupil's ability to engage fully with their education. These include:

- **Accurate Registration:** Ensuring pupils are registered efficiently and reliably each day
- **Target Setting:** Establishing realistic and motivating attendance targets for individual pupils and year groups
- **Prompt Communication:** Contacting parents/carers on the same day when absences are unauthorised or reasons are unclear
- **Ongoing Monitoring:** Regularly reviewing pupil attendance and punctuality data, with timely support meetings following prolonged absence
- **Supportive Reintegration:** Holding 'return to school' meetings to ensure smooth transitions back into the classroom
- **EBSA-Informed Practice:** Advancing our approach to Emotion-Based School Avoidance (EBSA), applying it where appropriate and needed
- **Pattern Tracking and Thematic Analysis:** Monitoring attendance trends, identifying recurring themes such as anxiety, illness, or social barriers, and using this insight to inform tailored support plans
- **Transparent Reporting:** Sharing attendance statistics with parents/carers, local boroughs, and the Department for Education, as appropriate

Our approach is underpinned by empathy, collaboration, and a shared commitment to helping each child and young person to thrive.

3.0 LEGISLATION & GUIDANCE

- Advising the headteacher (authorised by the headteacher) when it may be appropriate to consider advising a Local Authority to issue fixed-penalty notices

4.1.4 Heads of Key Stage and Assistant Headteachers

- Ensure that tutors are provided with Attendance data weekly
- Ensures that attendance is a standing item during Key Stage Meetings
- Arranges and actions 'return to school' meetings as per appendix
- Takes overall ownership and accountability of Year Group attendance.

4.1.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office via ISAMS on the same day by 09:30 morning and 13:30.

Class Teachers/Form Tutors are responsible for making weekly contact for those pupils who are not present at school for long periods of time and are responsible for collating the educational materials for these students so that they can access education from home should this be required. This could then be provided to the key stage leads to ensure it gets to home.

Class Teachers are responsible for ensuring that any information which they have from the parents/carers should be documented on the register in the notes section to ensure this has been captured on the legal document. This includes information passed to parents/carers through any other agreed communication channel.

Class Teachers will remind parents/carers that they are to follow the school absence policy should they be contacted directly through email to remind them that calls should be made to the school on 01706 221 043 **before 8:30am on every day their child will be absent.**

Class Teachers will remind parents/carers who contact them directly with evidence of appointments, or reasons for their child to be absent for school to email admin@belmont-school.co.uk

4.1.6 School office team members

School office team members will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the pastoral lead where appropriate, in order to provide them with more detailed support on attendance

5.0 EXPECTATIONS OF PARENTS, CARERS, AND THOSE WITH PARENTAL RESPONSIBILITY

To support their child's regular school attendance, parents, carers, and those with parental responsibility are asked to:

- Ensure their child attends every scheduled school day or timetabled session punctually
- Notify the school of their child's absence by [insert time, e.g. 9:00am] on the first and each subsequent day of absence, providing an expected date of return
- Supply the school with more than one emergency contact number for their child, where possible
- Arrange medical and other appointments outside the school day whenever feasible
- Adhere to any attendance contracts agreed with the school and/or local authority
- Seek support when needed by contacting [insert role, e.g. Head of Year, Pastoral Lead, Family Liaison Officer] via [insert telephone number/email address]
- Engage proactively with the school's designated contact (e.g. Family Liaison Officer), maintaining open and regular communication to clarify needs and co-develop effective support plans

By working in partnership with the school, families can help ensure their children feel safe, supported, and ready to thrive.

5.1 Lateness

Morning registration will take place at the start of school at 9am. The registers will remain open for 30 minutes. Until 9:30am, registers will be marked as L if pupils arrive after 09:30 but before afternoon registration. However, any pupil arriving after this time will be marked as having an unauthorised absence and missing the session of school. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered.

Pupils arriving after the start of school but before 9.30am will be treated for statistical purposes, as present, but will be coded as late before registers close.

The school will commit to supporting parents/carers/those with parental responsibility should lateness occur through school transport issues, but lateness caused by transport will be marked as late in the registers in line with this policy.

Pupils are supported to attend school on time every day.

6.0 RECORDING ATTENDANCE

6.1 Attendance Register

The school will keep an attendance register and all pupils will be listed on this register.

The attendance register will be taken at the start of the first session of each school day, and once during the second session using the appropriate national attendance and absence codes from the [School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#) or national equivalent, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment
- We will keep entry on the attendance register for 3 years after the date on which the entry was made.

We will also record:

- Whether the absence is authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of the circumstance where a pupil is unable to attend due to exceptional circumstances.

6.2 Unplanned Absence

- The pupil's parent/carers must notify the school on the first day of an unplanned absence by 08:30am or as soon as practically possible.
- Parents/carers should phone the school 01706 221 043 and leave a message or speak to an administrative team member to let them know that their child will not be attending school with the reason.
- We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.
- Where the absence is longer than 5 days, or if the authenticity of the illness is in doubt, the school may ask the pupil's parent/carers to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.
- Department for Education guidance states that if the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

6.3 Planned Absence

- Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carers notifies the school in advance of the appointment and provides evidence of the appointment.

- Evidence of appointments, such as a doctor's note, prescription, appointment card or other appropriate form of evidence, should be emailed directly to admin@belmont-school.co.uk
- However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.
- The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. This is addressed later in the policy to find out which term time absences the school can authorise.

6.4 Following up absence

When a child is expected to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason by sending a text, email or a phone call.
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use
- Where appropriate, offer support to the pupil and / or their parent / carers to improve attendance
- Identify whether the pupil and / or their family needs support from other organisations as quickly as possible and make the necessary referrals
- Conduct home visits where necessary

6.5 Medical or dental appointments

It is the statutory duty of every parent/guardian to ensure that their child attends school regularly and on time, (Section 444(1) [Education Act 1996](#)).

Missing registration for a medical or dental appointment may be counted as an authorised absence if advance notice has been given or evidence provided. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. See below for information relating to whether the school can authorise such absences.

6.6 Reporting to Parents

Parents can request a copy of their child's attendance record at any time.

We report to parents on their child's attendance record in Annual Review's and end-of-year reports. In line with the school's rewards scheme, monthly notification of their child's attendance will be sent home for those:

- 95% and over
- Improved attendance

In line with this policy, contact could be more frequent if we are working with you to improve your child's attendance.

6.7 Absence notes

Notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period and scanned/noted on ISAMS.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents/carers to provide evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

6.8 Timeline of School Action for Low Attendance

Each pupil's attendance can be summarised as:

95% +	Excellent attendance. This will support all aspects of your child's progress in school. This will give them a good start in life and encourages a positive work ethic. Your child's attendance is at or above the school target. Keep striving for 100%.
90% - 94%	Good effort. This attendance rate is moving towards the target of 95%. Improved attendance will benefit your child both academically and socially. Your child's attendance is almost at the school target.
BELOW 90%	A pupil whose attendance is below 90% is defined as a 'persistent absentee' by the Department for Education. Unauthorised or Unsupported by Medical Evidence 1) [] Department for Education views that absence is now a concern and is at risk of significantly affecting your child's attainment and progress. You will receive an initial letter of support and be invited in to meet with the class teacher/Key Stage Leader to establish whether we can offer you any additional support to improve your child's attendance. 2) [] If attendance does not improve in the next month or falls even further within the academic year, a second letter inviting you to meet with the Assistant Headteacher will be sent. At this second meeting, a support plan and an attendance target will be set across an agreed timescale which will be monitored by the class team/Key Stage Leader. 3) [] If there is still no improvement or the attendance rate falls further within the academic year, parents will be invited to an attendance support panel meeting will be held where an agreement will be made between the school and the parents for how all parties will work towards improving the attendance of the pupil. 4) [] If the agreement put into place does not improve attendance a formal request needs to be made to the local authority regarding these concerns and possible legal consequences could follow as set out by the Department for Education. Medical reasons for absence – If your child has an ongoing medical condition that means they are unable to attend school; we apply their attendance figure with this knowledge. Therefore, discretion may be applied to the process above.

Attendance Targets

Our school target is: All pupils attend over 95% of the time.

Where pupils have been identified with specific medical or therapeutic needs who have a high level of absence, they will be supported by the following strategies:

Daily contact with parents/carers to correctly authorise absences.

- Provide support as part of the Universal approach from the school to support pupils where their reasonable adjustments need supporting with regards to their needs in order to support parents to get their children to school.
- Provide home visits where appropriate.
- Create contracts of agreed actions with parents and children, where possible, to improve their attendance – incorporating an attendance support plan.
- Working with the Local Authorities and other agencies to record such absences as authorised to reflect attendance as good as can be expected for these pupils and the school.
- Recognise that some pupils are not ‘available for learning’ and work with the LA and other agencies to allocate appropriate provision which may not be within our school.
- Recognise that these pupils may still be eligible for rewards for attendance with medical absences not applied to their overall percentage for the purpose of rewards.

6.9 Welcome Back

We recognise the importance of a supportive and inclusive return for all pupils following significant periods of absence. Our approach ensures that individual needs are considered carefully, promoting a smooth transition back into the school environment. This includes:

- **Routine Reintegration:** Supporting pupils as they adjust to the school’s daily routines and expectations
- **Curriculum Catch-Up:** Providing opportunities to catch up on missed work and updating pupils on key information shared with peers during their absence
- **Phased Return Planning:** Where appropriate, implementing a phased return tailored to the pupil’s circumstances, to ease the transition and promote sustained attendance

Our aim is to help every pupil feel welcomed, valued, and ready to re-engage with their learning community.

Team members should be sensitive to the individual needs and circumstances of returning pupils. The school will:

- Inform all team members of the return to school process and involved where appropriate.
- Provide opportunities for clinical support if required.
- Consider peer support and mentoring as appropriate.
- Involve parents as far as possible.
- Agree timescale for review of reintegration plan.
- Include Children’s Services, social workers, parents/carers and the pupil in return to school plan if appropriate.

7.0 AUTHORISED AND UNAUTHORISED ABSENCE

7.1 Approval for Term Time Absence

The headteacher or equivalent will only grant a leave of absence to pupils during term time if they consider there to be ‘exceptional circumstances’ as set out in [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#) or the national equivalent for the school.

A leave of absence is granted at the headteacher's discretion. The school considers exception circumstances to be:

- Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with school holidays.
- Visiting a parent/carer who is imprisoned.
- Where an absence is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a person close to the family.
- The wedding of a close family member.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Headteacher's (or equivalent) discretion. Although, if granted the leave would be authorised, the non-attendance would affect the overall percentage attendance for that child for that month.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via admin@belmont-school.co.uk. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for authorised absence include (but are not limited to):

- a. Illness and medical/dental appointments where evidence is shown
- b. Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set part.
- c. Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupils attending educational provision.

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to) attending

- an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- another school at which the pupil is also registered (dual registration)
- provision arranged by the local authority
- work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

7.2 Reducing persistent absence

It is outlined in the appendices the school's approach to supporting attendance.

In addition:

- a. A pupil becomes a 'persistent absentee (PA)' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parent's fullest support and cooperation to tackle this.
- b. All absences are monitored thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

- c. PA pupils are tracked and monitored carefully through our attendance officer, and we also combine this with the progress they make against their EHCP outcomes where absence affects attainment. All our PA pupils and their parents are subject to an Action Plan, and the plan may include; an individual incentive programme, support from the pastoral team, participation in group activities around raising attendance. All PA cases are also automatically made known to the Participation team in the local authority.
- d. Parents will be expected to make agreements with themselves and their child for how they will be supporting their attendance at school. These will be captured during the attendance panel meeting as the action plan to support improved attendance.

7.3 Legal Sanctions

The Department for Education recommends that our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

The local authority may recommend a fine for parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

Before advising a Local Authority to issue a penalty notice, the school will consider the individual case, including whether:

- the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- a penalty notice is the best available tool to improve attendance for that pupil
- further support, a notice to improve or another legal intervention would be a more appropriate solution
- any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

7.4 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) termly and yearly across the school and at an individual pupil, year group and cohort level. Data and related actions will be reported and monitored using the Termly Head teacher Report to Governors and Governance Meeting formats.

Specific pupil information will be shared with the DfE on request.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

7.5 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.6 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to the safeguarding team, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe where appropriate

7.7 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with [Keeping children safe in education](#)
- Hold regular meetings with the parents / carers of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to OFG Clinical Support or external support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence

8.0 STRATEGIES FOR PROMOTING ATTENDANCE

Regular school attendance is an important part of giving children the best possible start in life. The aim should be to attend as regularly as possible (recognising illness is inevitable). Students who miss school frequently can fall behind with their work and have less progress towards their EHCP outcomes. Good attendance also shows the reliability of pupils in more senior years to show future employers that the pupil is reliable.

Unauthorised absence in the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days in September go on to miss nearly a month of school throughout the year.

To ensure excellent attendance at our school we will:

- Deliver clear messages about expectations, routines and consequences to new pupils and families through prospectus and admission/transition events
- Use physical presence to reinforce routines and expectations on arrival and departure including greeting pupils in the morning and having a consistent morning routine.
- Regularly communicate expectations for attendance and punctuality and school performance against EHCP targets through the regular channels of communication on Isams (and Class dojo if appropriate) with team members, pupils and parents/carers.
- Monitor implementation of policy and practice through form time drop ins by the key stage leads and assistant headteachers.
- Monitor whole school data regularly to identify reasons for absence, patterns, attendance of particular groups and the impact of interventions.
- Establish, implement and monitor robust arrangements to identify, report and support children who are absent from education.
- Develop good support for children with medical conditions (including the use of individual healthcare plans), mental health problems and their own special educational needs (SEND).
- Engage pupils in consultation on attendance policy, practice, rewards and sanctions through the pupil voice committee and through their own pupil voice in annual review if attendance is of concern.

9.0 CHILDREN ABSENT FROM EDUCATION

DfE Statutory guidance regarding Children absent from education states that children absent from education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation and becoming not in education, employment or training (NEET) later in life.

Our school takes the following steps:

- All pupils are entered on the admission register at the beginning of the first day on which the school has agreed that the pupil will attend the school. This register is kept up to date and checked for accuracy, on a monthly basis.
- If a pupil fails to attend the school, the school will undertake reasonable enquiries to establish the child's whereabouts (following the steps listed in the above DfE guidance) and consider notifying the local authority at the earliest opportunity **or at the point that 10 consecutive days have been missed.**
- The school monitors pupils' attendance through daily registration. Daily absence is followed up by the school administration team who attempt contact with home to request a reason for absence. The school monitors attendance closely and addresses poor or irregular attendance. The school notifies local authorities of pupils who fail to attend regularly or have missed ten school days or more without permission.
- School will work with external agencies including the Local Authority, Participation Teams and Social Care to support families whose children have missed ten consecutive days of education. Whilst meetings and support are being implemented, the school will keep the child on roll. If engagement with home ceases despite support being offered, or support offered is subsequently declined then school will call an emergency Annual Review to discuss the placement and may consider giving its six-week notice period to end the placement subject to confirmation that the Local Authority are aware.
- School will continue to retain contact with pupils who have left the school to monitor the success of the next placement and to ensure any relevant records are passed on.
- Where a pupil has not returned to school for ten days after an authorised absence or is absent from school without authorisation for twenty consecutive school days and when the school and the local authority have failed, after jointly making reasonable enquiries to establish the whereabouts of the child, with the full knowledge of the local authority responsible for placing the child with us; and the relevant referrals have been made to the child's safeguarding team; the school reserves the right to consider

terminating the placement by giving six weeks' notice to the Local Authority. At this point the pupil would be removed from the admissions register.

- The school remains committed to working with all agencies to establish the safety of the missing child even after their removal from the school roll.

10.0 THE MONITORING SYSTEM

This Policy will be reviewed as guidance from the local authorities or government bodies is updated, and as a minimum annually by a member of SLT in liaison with the Designated Lead for Attendance and the Attendance Officer. At every review, the policy will be approved by the Headteacher and shared with the governing body.

10.1 Registration Process and Attendance Codes

The attendance register will be taken at the start of the first session of each school day and once during the afternoon session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

The school uses a Management Information System (iSAMS) for keeping the school attendance records.

Important Definitions

- 1 school day = 2 sessions. This means that one day off a week will make a child's attendance for that week 80%.
- If a child has 9 days off over the whole year their attendance will be approximately 95% for the year.
- Authorised Absence means an absence has been classified as authorised when a child is away from school for a legitimate reason and the school has received notification from a parent/carer.
- Authorised absence still affects overall attendance figure and will impact on qualification for reward trips.
- Unauthorised absences mean an absence when a child is away from school without the permission of the school.
